Dear Parents:

Any media shown to students throughout the school year is for educational purposes to support the curriculum and are approved by the principal and parent(s) before student viewing/listening, with the exception of those that accompany the school curriculum (i.e. English, Math, etc.) or holiday movies with approval from the principal. If you do not want your child to participate in viewing or listening to the item listed below, the teacher will provide an *alternative* assignment for your child at that time.

If you have questions or concerns regarding the media selection, please contact the teacher via email or Sycamore.
